OPTIONS AND CUSTOMIZATION

Options

Thern offers a variety of additional options you can choose to enhance your davit crane.

- **FACTORY LOAD TEST**
Upon request, Thern can test your crane prior to shipping, up to 125% of rated load.
- **EXTENDED WARRANTY**
Extend our standard 2-year warranty.
- **PE STAMP - PROFESSIONAL ENGINEER STAMP**
Available upon request at time of order.
- **CE MARK**
Available upon request at time of order, CE mark for products sold into the European Union.
- **POWER WINCH OPERATION**
AC electric in any voltage. DC electric, hydraulic and pneumatic power winches available.
- **CUSTOM ELECTRIC CONTROLS**
Thern can build the high quality controls you need to operate your equipment.
- **DRILL-DRIVEABLE WINCH**
A worm gear hand winch is also available for operation with a 400 rpm max drill motor option.

Customization

Customization is available for almost all Thern products and should always be performed by our engineers to assure the changes meet our stringent quality standards. Below are some of our more common customization requests. Only factory modifications are covered under warranty.

- **LONGER LIFT DISTANCES**
Customized winch and crane configurations to accommodate longer lifts.
- **CUSTOM COLORS & FINISHES**
Custom colors and finishes are available to match your unique application
- **EXTENDED BOOM AND MASTS**
Thern can extend mast heights and boom lengths to fit your needs
- **RELOCATE THE WINCH**
The winch can be relocated to fit confined spaces or height restrictions
- **SPECIAL BASES**
Custom bases or mounting requirements can be manufactured to meet your unique situation

These products are not for lifting people, or things over people.

IMPORTANT

It is the owner or operator's responsibility to determine the suitability of the equipment to its intended use. Study all applicable codes, manuals and regulations. Be sure to read the Owner's Manual supplied with the equipment before operating it.
